Sir,

With reference to the Chief Secretary's docket No 4166-72 / 119 dated 6th Instant enquiring what establishment has been given to the Treasury Assistant Commissioner who as a magistrate, for carrying on Magisterial work, I have the honor to annex on the margin a list of officials placed under the Treasury Assistant Commr

Average of two years 1887 & 1888 on No 30
3 Peons / 2 Cowle Peons and 1 Peon

Mr. Nayesh Row for Magisterial work from the Deputy Commissioner's Office Establishment. I beg to state here that the present establishment of the Judicial department of the District Office is as follows: —

1 Head Munshi. Pay Rs. 50
1 Dy Munshi. Pay Rs. 30
1 3? Munshi. Pay Rs. 25
1 Record Keeper Rs. 30
1 Kolla or Daftaruud Rs. 5
2 Court orderlies at Rs. 6 each.

Out of these 1 Deputy Munshi on Rs. 30 and two orderlies and one Peon are allotted for Mr. Nayesh Row's Court.

Of the remaining

3 hands one is in charge of the District Judicial records, one in charge of all the monthly, quarterly and annual accounts, and the only remaining hand, the Head Munshi, has to attend to without any help to all the heavy and harassing duties connected with the regular Magisterial work of the District Magistrate and with his functions as Head of the Magistracy in the District.

2 The To and From Registers in consequence fall into arrears, and there is also great difficulty in keeping the Criminal Registers

prescribed by the Chief Court.

3. It will be a great relief to the officials of the Judicial Department if a Judicial Munshi on Rs. 25, one Dufterbund on Rs. 5 and 2 orderlies at Rs. 6 each could be sanc= tioned for the Court of the Treasury Assistant Com= =missioner.

Sir,

I Referring to your letter No 4166-72/119 of 6th September 1888, I have the honor to forward the accompanying correspondence and to state that an extra hand to be attached to the Treasury Assistant for magisterial and other duties is imperatively necessary. A Treasury Officer invariably does magisterial work and in this District the work done by him during 3 years is noted in the margin. The arrangement which used to be made to give him clerical help has been

been always unsatisfactory.
It is impossible to spare a hand
from any of the Departments of
the District Office. Each Official
in the Treasury has got his du-
-ties marked out to him. The
Revenue, Judicial and English
Departments have more than
they can do and I have been
obliged to keep a Gumasta of
the Powgada Taluk to do duty
in the District Office. The Re-
-gistration Deputy Clerk has
been working in the General
Assistants' Office where also,
as every where else, the work
has greatly increased. Under
these circumstances I beg that
sanction may be conveyed to
appoint an Official on 25 Ru-
pees a month who may be
called Treasury Magistrate's

Criminal

Criminal work as also attend to other Miscellaneous papers referred to the Treasury Officer for disposal.

2. I beg to take this opportunity to repeat my representation that the Treasury Officer is experiencing much inconvenience as no separate menial establishment has been sanctioned for him - At present one peon is spared to him from the District Establishment, one peon is taken from some Taluk and some such make-shift arrangement is made - It is not possible to spare any more peons from the District Establishment Under these circumstances I beg that 3 peons one on 7 and 2 on 6 with a sweeper on Rupees 5 per mensem may be sanctioned.

C-No 317-18

d. Dorp 6-5-90

Order thereon

The Establishment asked for the Gold Mines Magistrate and the Treasury Asst Commr. is on a very extravagant Scale. The Treasury Asst Commr. in no District, is allowed a separate Clerk for Magisterial work, and there is no reason why the Klerksdorp District should be an exception in this respect.

2. The Kolar District is a second class District, for which only one General Asstt Comr. allowed, and the usual establishment is already attached to that Asstt Comr. An additional Assistant has recently been allowed as a tentative measure chiefly on account of the magisterial work on the Gold Mines, and it is undesirable to give this Assistant a larger Establishment than is absolutely required for the small quantity of the magisterial work likely to devolve upon him. An Establishment, for the Gold Mines Asstt Comr., of one Anglo-Vernacular Clerk on Rs 25 a month and two peons on Rs 6 each is sanctioned as a tentative measure till 31st March 1891, and any additional establishment

already sanctioned for the Dy Comr. on account of the Gold Mines work, may also be placed under the Asstt Comr in question, who shall be the Dy Comrs Assistant for Gold Mines work and for such other work as may be assigned to him by the Dy Comr. If such other work so assigned requires the, one or more hands should be transferred to this Asstt Comr. either from the Dy Comr's or General Asstt Comr's Establishment, as such work, but for such assignment, would ordinarily fall upon the Establishment of either of the Officers last named.

Sir

With reference to Government Proceedings Camp No 317-18 Dated 6th May 1890 Sanctioning tentatively till 31st March 1891 an establishment consisting of an Anglo-Vernacular Clerk on Rs 25 a month and 2 peons on Rs 6 each for the Assistant Commissioner and 1st Class Magistrate Kolar Gold Mines, I have the honor to request sanction to the maintenance of the above Establishment permanently, with effect from the 1st April next, the necessity for the proposed measure being too obvious to need any explanation.

2 I beg to avail myself of this opportunity to represent that the Superintendent Kodalur brings to notice that owing to the insufficiency of the present Establishment under him, he has experienced much difficulty in getting his office work done punctu-

and satisfactorily.

3. It will be observed from para 2 of the Proceedings adverted to above that in allowing only one Clerk to the Assistant Commissioner the Govern= =ment evidently thought that the amount of magisterial work likely to devolve on that officer would be but small whereas such work has since greatly increased and is in fact heavier than that of any other Magistrate in the district, as may be judged from the fact that the number of original, appeal, and miscellaneous cases on the file of this Court for the Calendar year 1890 was 384 as shewn in the margin —

Original 239
Appeal 31
Miscellaneous 114
384.

4. It seems, therefore, indispensably necessary that the Assistant Commis= =sioner's Establishment should be strengthened by the addition of at least one Clerk on Rs 20 a month so that it may be able to cope with the increased ministerial work of the Magistrate's office

5. I regret to submit that it is not

possible to spare any hands from the
District or General Assistant Commis-

attached thereto have more than
enough to do owing to the increasing
correspondence consequent on the
heavy arrears of money and papers

3. Sir

With reference to your docket No 2322/61 dated the 27th Ultimo, regarding the proposed grant of local allowance to the clerks and menial servants attached to the court of the Special Magistrate of the Kolar Gold Fields I have the honor to submit herewith as called for a proposition statement from which it will be observed that the present cost of the Establishment is Rs 64 and that the proposal involves an additional cost of Rs 26 making a total of Rs 90 as the future Expenditure on account of the Establishment of the said court—

As the Special Magistrate is permanently stationed at the Gold Fields the officials &c. under him will scarcely have any occasion

for

for travelling outside the Fields but should such an occasion arise, the proposed allowances maybe deducted for the days for which travelling allowances are claimed.

Owing to the high rates at which provisions &c are sold at the place, two of the menial servants viz a peon and a lascar have already left the service, their pay being hardly sufficient for their livelihood

I beg therefore to solicit an early sanction to the propal contained in my letter no $\frac{430}{98}$ of the 8th Ultimo.

I have the honor to be
Sir
your most obedient servant

Sir,

I have the honor to submit the accompany copy of Docket No: 138 of the 5th Instant from the Special Magistrate, Kolar Gold Fields and to request that under the circumstances therein represented his office establishment may be strengthened as recommended with the following modifications.

2. A 4th clerk seems unnecessary while the allowances of the 2nd and 3rd clerks may be fixed at Rupees 8 each instead of at Rupees 5 as proposed by the Magistrate.

3 The pay of the Head clerk is put down at Rupees 35 with reference to the responsibility devolving on him as the ministerial

head of the office.

4 A Proposition statement is also herewith submitted which will shew that the proposed scale involves an increase of Rupees 69 per month over the present cost including local allowances.

5 In a recent communication Mr. Wright informs me that the Dewan has promised his best consideration to the proposal.

with the work in other Criminal Courts where many more clerks are employed, will be found to be much greater. It is also requested that the extra allowances for clerks and peons at the Gold Fields may be speedily sanctioned, and that the peons pay be increased to Rupees 7, as it is impossible to get men to serve for the present pay of Rupees 6, especially now that almost famine prices exist at the Gold Fields. The number of clerks, peons and Lascar for this office, with their proposed pay is subjoined for kind reference:—

Sir,

I have the honor to draw your attention to my application for two additional clerks to my establishment and the correspondence thereon and my interview with the Dewan so far back, as February last, at which I understood him to promise the additional clerks. I have hitherto retained the services of a private clerk without any expense to Government in order to keep my office from falling into arrears as two clerks are quite unable to cope with the work which is increasing every quarter as can be seen from the returns. I am no longer able to keep this private clerk and the office work will

will necessarily be delayed. It has always been my desire and pride that my work should not be in arrears, but unless Government gives me sufficient hands I cannot prevent it. I have, in former correspondence sufficiently set forth reasons for the additional clerks being engaged, and you have kindly approved of them

I have the honor to request that you will once more call the attention of Government to the matter and request that the additional clerks be sanctioned at once as I have from today been obliged to dispense with the services of my private clerk

I have &c.
